

Welcome to 2017-2018 **ARTE ACÁ** SERIES

Produced by the Aztlán Academy of San José, Inc.

To all San José and other Santa Clara County Educators:

FREE EXPERIENCE IN THE MEXICAN CHICANO FOLK ARTS FOR YOUR STUDENTS

The Aztlán Academy is pleased to once again present a program, serving students throughout San José and Santa Clara County with free performances and exhibitions. The mission of **ARTE ACÁ** is to educate and expose young people to a variety of art forms and modes of expression that are reflective of the Mestizo Mexicano.

For more than fifty-one years, Aztlán Academy has enabled students to attend professionally produced performances and exhibits. The City of San José Office of Cultural Affairs has offered professional development to arts providers in creating curriculum guides developed in alignment with the California Visual and Performing Arts Standards. These materials help enhance in educational value of what could otherwise be “just another field trip.”

In the current funding and economic environment, we believe more than ever in the value of partnership and sharing with educational institutions and communities, giving our local youth the opportunity to experience the power of the arts.
